The screenshot displays the IBM Cognos Analytics with Watson user interface. The top navigation bar is dark blue and contains the text "IBM Cognos Analytics with Watson", a notification icon with "1 item open", a temperature indicator showing "33°", and a search bar labeled "Search content". On the right side of the top bar are icons for help, notifications, and user profile. A secondary blue banner below the top bar reads "Undergo Maintenance: Oct 21 01:00 UTC to bring you the latest updates to Cognos Analytics" with "Dismiss" and "More info" links. The left sidebar is light gray and lists navigation options: "Home", "+ New", "Upload data", "Content", "Recent", and "Manage". The main content area features a dark blue header with the text "Cognos Analytics with" and a sub-header "Taking a look at our introduction video, product tour". Below this is a blue button labeled "Take a product tour". The central part of the main area contains an isometric illustration of a data cube composed of blue and purple blocks, connected by dashed lines to various icons representing data sources and analytics. At the bottom of the interface, there are three light gray rectangular buttons with icons: a circuit-like icon, a diamond icon, and a bar chart icon.
