

# IBM COGNOS ACCOUNT

TEAM ID	PNT2022TMID48478
Project Name	Estimate Crop Yield using Data Analytics

The screenshot displays the IBM Cognos Analytics with Watson dashboard. At the top, a navigation bar includes the title 'IBM Cognos Analytics with Watson', a search bar, and user profile information for 'Sugumar M (Dadiffabae...)' with email 'stammar1220@gmail.com'. A blue banner below the navigation bar contains a maintenance notification: 'Maintenance: Scheduled maintenance completed. Click More Info for details and to subscribe to future events'. The main content area features a large welcome message: 'Hello. Welcome to Cognos Analytics with Watson.' followed by a sub-message: 'You can get started right away by taking a look at our introduction video, product tour and Getting Started tab.' Below this, there are two buttons: 'Watch video' and 'Take a product tour'. To the right of the main content is a sidebar menu with options: 'My schedules and subscriptions', 'Log my session', 'About', 'Manage product subscription', 'Privacy', 'Cookie Preferences', 'IBM Cognos Analytics Mobile', and 'Log out'. At the bottom, a 'Quick launch' section contains four tiles: 'Upload data' (with an upward arrow icon), 'Prepare data' (with a 'geo' icon), 'Exploration' (with a circular icon), and 'Present data' (with a monitor icon). A Windows activation watermark is visible in the bottom right corner of the interface.
